

Hello Jefferson County Trail Builders!

I wanted to get out a quick update on our upcoming trail building dates and hopefully get on your calendars before they fill up.

We have the following dates set right now with volunteer leaders for each day:

1. Sunday, April 9th, 2:00 – 6:00 (Group Leader – Kevin Wiesmann)
2. Wednesday, April 26th, 4:00 – 7:00 (Group Leader – Kevin Wiesmann)
3. Saturday, April 29th, 9:00 – 12:00 (Group Leaders – Jake and Joan Donnellan)
4. Sunday, May 21st, 2:00 – 6:00 (Group Leaders – Jake and Joan Donnellan)

We may add to the work days, depending on the turnout we get at the scheduled days. So please come out for an hour, for two hours or for any amount of time and help us build some sweet single track right here in Jefferson County! Check out our page on Facebook as well: “Jefferson County-Trail Builders” and get updates to rides, volunteer events and general biking information.

We hope to see you on the trails!
